

## INWES Japan Activity Report 2012/10-2013/12

By Kayoko Sugahara, INWES Japan President, 12/16/2013

After ICWES12 was held in Canada in 2002, INWES Japan was established as the execution organization of INWES's activity in Japan. INWES Japan has grown and is going to be composed of three organizations by now.

- JWEF (Japan Women Engineer Forum) – 150 members
- Pe-Lady (Women Professional Engineers Japan) – 150 members
- SJWS (The Society of Japanese Women Scientists) – 300 members

### INWES Japan Activity

- New President was elected in April
- APNN in Taipei, September – 3 attendees
- The 5<sup>th</sup> Japan-China-Korea Women Leaders Forum in Tokyo, November
- SJWS joined again in INWES Japan in December

### Program

#### The 5<sup>th</sup> Japan-China-Korea Women Leaders Forum For Science & Technology

Nihon University, Ichigaya, Chiyoda-ku, Japan

November 11-13, 2013

Nihon University Chairman of the Board of Trustees Grant

“CareerWay Project” International Symposium  
Cosponsored by INWES-J & supported by MEXT

Date: Monday, November 11, 2013
Venue: TKP Conference Center (Ichigaya, Chiyoda-ku, Tokyo)
Theme: Program to Supporting Research Activities of Female Researchers Symposium by MEXT
15:00-17:00 Participate in Panel Discussion
18:00-20:00 Welcome Party at Arcadia Ichigaya by NU

Date: Tuesday, November 12, 2013		
Venue: Main Hall (2 <sup>nd</sup> floor), Nihon University (Ichigaya, Chiyoda-ku, Tokyo)		
Theme: Leadership Education for Women in Science, Technology & Engineering (STE) (in English)		
Time	Program	Chair
09:00-09:30	<p>Opening Ceremony</p> <ul style="list-style-type: none"> <li>● Dr. Chikako YOSHIDA-NORO, Chairperson, Professor, Nihon University,</li> <li>● Message from MEXT</li> <li>● Prof. Xuhui WEN, Professor and Research Fellow, Institute of Electrical Engineering, Chinese Academy of Sciences</li> <li>● Dr. Hee Young PAIK, President-elect, Korea Federation of Women’s Science and Technology Associations (KOFWST)</li> <li>● Prof. Kayoko SUGAHARA, President, INWES-Japan</li> </ul>	Dr. Hitomi KUMAGAI, Professor, College of Bioresource Sciences (CBS), Nihon University
09:30-10:00	Coffee Break	
10:00-11:30	Session 1: Exploring Next Generations of Women in STE	China: Yan LEI, Professor and Deputy

10:00-10:20	Japan: from MEXT “Promotion of Science Education and Support for Female Students in Choosing Science Courses”	Director of Medical Experimental Center, Chinese Academy of Medical Sciences (CAMS)
10:20-10:40	China: Dr. Li ZHANG, Development Research Center of China Association for Science and Technology (CAST)	
10:40-11:00	Korea: Dr. Hyomin KIM Professor at Ulsan National Institute of Science and Technology (UNIST), Korea	
11:00-11:30	QA & Discussion	
11:30-13:00	Poster Session with Lunch, Main Hall (2 <sup>nd</sup> floor) Research Poster Presentation by Young Women Researchers (Lunch)	Dr. Junko FUJITA-YOSHIGAKI, Professor, Nihon University School of Dentistry at Matsudo Dr. Megumi SATO Lecturer
13:00-13:10	Welcome address by Dr. Kichibei OTSUKA President, Nihon University	Dr. Chikako YOSHIDA-NORO
13:10-13:40	Keynote Speech Hideko KUNII Professor, Graduate School of Engineering Management, Shibaura Institute of Technology; a former Corporate Senior Vice President of Ricoh Co., Ltd., Japan. <i>“For More Women to be Leaders in STE”</i>	Dr. Hisako Ohtsubo Senior Researcher, Nihon University School of Pharmacy
13:40-14:10	Coffee Break, Photo	
14:10-15:40	Session 2: Career Education Programs at the University	Korea: Dr. Heisook LEE,
14:10-14:30	Japan: Dr. Toyoko OCHIAI	Director, Korea

	Leader of the CareerWay Project, Nihon University Professor, Nihon University School of Medicine <i>“CareerWay Project and Leadership Education”</i>	Advanced Institute for Supporting Women in Science, Engineering and Technology (WASET),
14:30-14:50	China: Min HU, Professor and Dean of the State Key Joint Laboratory of Environmental Simulation and Pollution Control, College of Environmental Sciences and Engineering, Peking University	
14:50-15:10	Korea: Dr. Jeong-a LEE, Professor at Chosun University, Korea	
15:10-15:40	QA & Discussion	
15:40-16:00	Coffee Break	
16:00-17:30	Session 3: Leadership Programs for Professional Women in STE	Japan: Dr. Miyoko O WATANABE, Chairperson of Japan Women Engineers Forum (JWEF), Fellow & Program Director, Center for Research and Development Strategy, Japan Science and Technology Agency (JST)
16:00-16:20	Japan: Ms. Shigeko MORI, Japan Women Engineers Forum (JWEF), Senior Software Engineer, Tokyo Software Development Laboratory, IBM Japan	
16:20-16:40	Ms. Keiko YAMAMOTO, Not-for Profit Organization, The Professional Women Engineers (PE-LADY), Japan	
16:40-17:00	Korea: Dr. Eun-Kyoung LEE, Professor at Chonbuk National University	
17:00-17:30	QA & Discussion	
17:30-17:40	Closing Remarks by Dr. Noriko HIRATA-KOHNO, Professor, College of Science and Technology, Nihon University	Dr. Hitomi KUMAGAI, Prof. CBS, Nihon University

	Chairperson of Japan Inter-Society Liaison Association Committee for Promoting Equal Participation of Men and Women in Science and Engineering (EPMEWSE)	
18:30-20:30	Banquet	

Date: Wednesday, November 13, 2013
8:00 Move from Ichigaya to Tsukuba Science City by express train
Venue: Tsukuba Center for Institutes and NIMS (Tsukuba, Ibaraki, Japan)
Theme: International Survey for Recruitment and Promotion of Women Researchers in East Asia
10:00-12:00 Panel Discussion      Chairperson Dr. Chikako YOSHIDA-NORO
12:00-13:00 Round Table Discussion with Lunch
13:00-15:00 Visiting Research Institutions in Tsukuba

Pe-Lady Activity

Objective	Program	Date	Venue	Attendee	Content
Support Activities for STEM girls	Technical Salon for Girls students of University	Every 3 month	Tokyo and Other	20 students	Provide opportunity of information exchange in carrier development and job selection for women in technical area
	Visiting lecture of "STEM" career for High School girls students	11/21	Ibaragi High School	50 girls high school students	Lecture fun & interesting of technology for high school girls students Introduce carrier
	Summer School for high school students	8/9	NWEC	Students & Parents 300	Lecture fun & interesting of technology for elementary & junior high school girls students. Introduce career
	Develop Portfolio	4-7 months	Company and other	500 pamphlet	Introduce Women role model who work in technology area
Network	Network meeting for Japan And Korea Women Engineers	10/17	Sweon, Korea	25	Network of professional engineers in Korea
	Symposium of "Planning interesting City"	11/9	Tokyo	80	Theme 「Planning City for Creature」
Marketing	Newsletter	Every Quarter	Office	Public	Activity Report, Planning, Introduce roll modes

## JWEF Activity

Objective	Program	Date	Venue	Attendee	Content
Support Activities for STEM girls	Roll Model Cafe	Every 3 month	Tokyo and Other	10	Network of women engineers, exchange information #2 Management trouble #3 Work by my way
	Lecture	11/29	Nihon University	50 Women Students	Talk about experience of work in big corporation
	Seminar “Hospitality English”	12/2	Shibuya	30	Learn business English
	Tour of the Plant	3/16	JAL	23	Communicate with Women Engineers of JAL and tour of repair plant
	Seminar “What should Women & Company for Business Growth”	6/2	Tokyo	60	Lecture & Panel Discussion with MITI
	Mentor Training	8/3	Tokyo	20	Group Work
	Career Development Workshop	8/6	Osaka	10	MBTI feedback session
	JWEF Award and Ceremony	9	Tokyo	60	Give Award one in technology area under 40 years
Network	JWEF SNS			50	Communication within JWEF member
	The 5 <sup>th</sup> Japan-China-Korea Women Leaders Forum	11/11	Seoul	Ms. Miyoko Watanabe, Chair of JWEF	
Marketing	Write Article	Apr-Sep Every week	Nikkan Kogyo Newspaper	Public	Introduce role models of Women Engineer
	Newsletter	2 times a year		Public	Activity Report, Planning
