

Dear APNN Members,

We are pleased to announce the 2016 YWS Camp (Young Women Scientist Camp) which will be held from 22 to 23 in October, 2016 in Daejeon, Korea. This year's YWS Camp will be held in conjunction with the '2016 Daejeon Science Festival'.

This event will have oral and poster presentations to share the research field among next-generation women scientists and engineers in Asia-Pacific nation. Also during the event a number of professional and cultural programs will be offered such as mentoring programs and site tour.

We, therefore, would greatly appreciate your recommending two (2) graduate students who are studying in science or engineering fields by 18th of July.

- 1) Two young women scientists under age of 35, who are studying in science or engineering fields.
- 2) What: Oral or poster presentation
- 3) KWSE will support a round-trip economy-class flight and accommodations
- 4) Materials to be submitted: application form with photo, CV, copy of passport, abstract

We hope that you will give us your support by recommending outstanding women students for this conference. If you need further information, please feel free to contact us.

Sincerely,

A handwritten signature in black ink, appearing to be 'Haryoung Poo'.

Haryoung Poo, Ph.D.

President of the Association of Korean Woman Scientists and Engineers
